INTRO & ETHOS

Overview

1B global network

71,000,000+ YouTube plays 4,000,000+ Soundcloud 1,700,000+ Facebook fans 500,000+ Twitter followers In a time when politics leaves us with a fractured world, music has a unique power to tie together disparate communities, retracing our common histories, and reconnecting us with principles of collaboration, empathy, and creativity. In this spirit, OneBeat convenes musical changemakers from countries across 5 continents to build a one-of-a-kind musical community, creating and performing brand new genre-bending works, and taking this radically inventive global village on tour across America and cities across the globe.

OneBeat culminates in a 4-week residency and tour, where innovative musicians from around the world design unique musical events, perform concerts, collaborate with local artists and youth, and launch a series of projects designed to make a positive impact on local and global communities. An initiative of the U.S. State Department's Bureau of Educational and Cultural Affairs in collaboration with the ground- breaking New York-based music organization Found Sound Nation, OneBeat employs the collaborative creation of music as a potent new form of cultural diplomacy.

ECA CREDIT LOGOS

Logo & Credits

When OneBeat logo is used, ECA flag and seal should appear. See ECA Style Guide below for more detailed logo designs (jpgs, eps, ai files available)

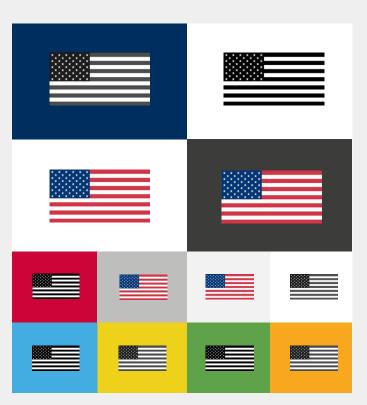

U.S. Flag & ECA Seal

Please note that ECA requires both the flag and Department of State seal on all print materials. Exceptions will made for items that are too small or otherwise unsuitable to include these logos.

All ECA print designs should be clearly identified as Department of State materials by utilizing the agency seal in the design. The seal incorporates specific colors and typography that must be followed in order to maintain its integrity.
